

UHF MRI MAGNETS AND SYSTEMS

SIEMENS HEALTHINEERS
GACHON GILL MEDICAL CENTRE
National Institute of Health

ASG delivered two 11.74T MRI magnets to GUGMC, in Korea, and to NIH in the USA. Furthermore, ASG delivered a 17.6T MRI magnet to NIH.

Today ASG is an exclusive partner of Siemens Healthineers for the supply of UHF MRI systems and is currently working on a 10.6T MRI system for the Chinese Academy of Sciences.
